

Kenneth James MacLeod

March

Kenneth James MacLeod: This is a composition of country dance band leader Jim MacLeod and appears here by kind permission of Colin MacLeod. I heard a country dance band playing it years ago and this is my own version of the tune. It goes well with “Crossing the Sound” and Addie Harper’s tune “Donald B. MacTaggart”.

Kirsty MacLeod

March

Kirsty MacLeod: There is a two parted reel of this name published in the *Gordons' Collection*, but it does not resemble the tune I have under this title which is a 6/8 march.
